CRTV members have spoken

(Campbell River, BC) August 25, 2008, 8:30 am – The CRTV Board of Directors has the preliminary results from the August 23, 2008 Special Meeting. Members who exercised their right to vote were in overwhelming support of selling CRTV to Shaw subject to CRTC (Canadian Radio-television and Telecommunications Commission) approval on the sale.

At this point in time, the process of handing CRTV over to Shaw becomes a housekeeping issue.

If there are no delays, Shaw should take over operations before the end of 2008, and the members should receive their distribution of proceeds by late spring of 2009.

The Board of Directors would like to thank all members for their feedback during this process. As in any democratic process, the will of the people is the deciding factor and the CRTV members have spoken.

On behalf of the Board of Directors,

John Kerr
President – CRTV
