**CRTV's Future - July 2, 2008 a critical date**

**(Campbell River, BC) May 26, 2008** – The Board of Directors stresses that the July 2, 2008 Special Meeting will be a key point in deciding the future of CRTV. This is when the Board will discuss details of the Shaw offer to purchase CRTV.

This is a critical meeting and members who wish to have input should appear in person or authorize a proxy for an immediate family member who shall be entitled to vote on behalf of the member. If a proxy is required, the member will need to come into the CRTV office at 500 Robron prior to the meeting to obtain their proxy and have it approved.

On July 2, 2008, the doors will be open at 5:30 pm with the meeting starting at 8:00 sharp. Member registration and member picture identification will be required. Light refreshments will be available but it is highly recommended that attendees have dinner before coming.

In order to accommodate the greatest possible number of attendees, Arena #1 at Strathcona Gardens (225 S. Dogwood) has been booked for the event. This is the largest venue in town and measures are being taken to accommodate overflow if required.

Even though the venue is large, members are reminded that this is a "members only" meeting and only members in good standing will be allowed into the meeting. Families who are uncertain whose name the membership is in should contact the CRTV office prior to the meeting. While CRTV respects the importance of other household members, only the registered member will be allowed in. We simply have to reserve space for voting parties. The proceeds of the meeting will be filmed and aired on Community Cable 10 after the meeting wraps up.

Please note that other details of the meeting are still being worked on and that staff members will have no other information that can be given until released by the Board. Updates inclusive of CRTV's recent Board Minutes, Constitution & Bylaws, Board Governance Policies and CRTV Press Releases Minutes can be found on CRTV's Web site at [www.crtv.net](http://www.crtv.net).

The President of CRTV, J. Kerr, states that "The Board has a moral and legal responsibility to the membership of CRTV to consider all reasonable options that become available to the Association. When the Board has a full understanding of Shaw's expression of interest in acquiring CRTV, the information will be provided to the members who will then be able to make the decisions that will determine CRTV's future."

The Meeting Notice will be in the papers and on the website on June 13, 2008.
